

**Sunshine Academy EEC (Sunshine North)
Parent Advisory Board Meeting Minutes
Tuesday June 7, 2016**

Teacher Changes:

Mary N will be looping in T1. Susan will be starting with Sunshine Academy on Monday 6/13, she is working toward her Associate Degree in Early Ed and she will be joining the team with Bidya and Xixi.

Fadoua K will be looping in T3. Josephine will be going on maternity leave this summer.

Margaret will join the Sunshine Academy Teacher community on June 20.

Parent Translators:

We have international families and we do not have all the languages covered. We would like to explore the possibility of having PAB members who are bilingual translate to other potential families.

Claire's idea was to post the needed languages and ask parents if they are willing to translate.

Devotion Palyground:

Will be going under construction in two weeks for at least two years. We do have our own exclusive Sunshine Academy park (Church Park) that opened this past April. Church Park is closed to group use but open to families. It has beautiful water elements, a planting area, structures, and sprinklers will be added for the summer water play.

Posting PAB member names, email addresses and meeting minutes on website:

No objections

Events:

Young composers:

It's a program developed by Dave Hanft. He works with small groups in PreK as they compose their own pieces of music and explore rhythm, beat, and keeping tune. The compositions are played on Stepping Up Day and families receive copies of the CD.

Music Show:

The event is on Wednesday, June 15. I/T workshop from 4:45-5:15PM. PS/PK workshop from 5:30-6:00PM.

We will release Dave's new CD digitally, but we will also distribute CDs for families who are interested in a copy. Please email Chirine if you would like a copy.

Stepping Up Day:

The event will take place on Wednesday, August 31 at 5:00. The catered dinner is opened to the school community and everyone is welcome to attend. Andrew suggested hosting it at Church park, weather permitting.
