

Sunshine Academy Preschool

June 2017: Young Scientists

	Mon	Tue	Wed	Thu	Fri
Intro to Young Scientists				1 Read <u>Ada Twist, Scientist</u> , List of Scientist Jobs Scientist Pretend Play	2 Scientist Around the World Journal: I am a Scientist When I...
What is a Scientist?	5 <u>What is a Scientist?</u> , Build Science Lab Explore Science Tools	6 Make Lace Lab Coats Scientist Badge Names	7 Beaker Color Mixing Egg Carton Safety Goggles	8 Journal: What is in Our Tool Kit? Scientist Questions	9 Create Hypothesis Observations and Results
Chemical Reactions	12 Scientific Process Word Wall Color Combo Play Dough	13 Vinegar and Baking Soda Mix Milky Paint Experiment	14 Mentos and Soda Burst Make and Measure Flubber	15 Explore Ice and Salt Create Our Own Lamp Lava	16 WCD: Happy Father's Day Cards Fizz-tastic Paint
Liquids and Solids	19 Liquids vs Solids Chart Melting Crayon Mural	20 Mix and Measure Jell-O Colored Ice Mixing	21 Orange Squeeze Popsicles Sink vs Float Boats	22 Explore Frozen Items What Melts in the Sun?	23 Goopy Textures Solids Before and After
Motion	26 Motion Matching Pull vs Push Venn Diagram	27 Moving with Magnets Wind Experiment	28 Light vs Heavy Investigations Gravity: Paper Airplanes	29 Toy Car Races Friction Experiment	30 Pull It Up! Play Ground Science and Motion

Sensory Table
Beakers, Droppers, Water, Magnifiers, Textures

Pretend Play
Lab Coats, Scientist Pretend Play, Beakers, Goggles, Gloves

Blocks
Balls, Ramps, Cars, Scientist Lab Set Up

Writing Table
Scientist Writing Prompts, Journal, Word Wall

Science Area
Colored Lenses, Beakers, Measure Tape, Measure Cups
