

Sunshine Academy Preschool

May 2018: Space

	Mon	Tue	Wed	Thu	Fri
Introduction to Space		1 KWL: Space Read <u>The Night Sky</u> , Space Collage	2 Read <u>The Air We Breathe</u> , Paint Backdrop Spec-troscope Exploration and Observation	3 Water Color Paint an Aurora Charcoal Pencil Aurora Drawing	4 Construct Space Shuttles and Paper Air-planes Fly Planes at Church Park
Sun	7 Sing "Mr. Golden Sun," Paint a Giant Sun 3D Picture Observation of Sun Spots	8 <u>Sun's Family of Planets</u> , Create Sundial Shadow Observations	9 Sun and Ice Observational Experiment Read <u>Sun</u> , Draw Pictures of the Sun	10 Layers of the Sun Discussion with Photos Infrared Thermometer Number Readings	11 Journal: "What I Know About the Sun" Sunglasses Pretend Play
Moon	14 <u>Max Goes to the Moon</u> , Papier-Mâché Moon Moon Lacing Cards	15 Moon Rock Hunt Count and Sort Moon Rocks	16 Human Model of Lunar Orbits Orbit Pretend Play with Inflatable Planets	17 Read <u>Moon Dance</u> , Moon Matching Game Create Moon Sand	18 Tin Foil Moon Creation Space Box Creation
Astronauts	21 Read <u>If I Were an Astronaut</u> , Dress Up Play Astronaut Training Course	22 Ball and Ramp Gravity Activity Stomp Rocket Play	23 Read <u>I am a Star</u> , Star Letter Hunt Splatter Paint Constellations	24 Moon and Space Walking Pretend Play Parachute Play with Space Debris	25 Constellation Sensory Bag Measure Space Objects with Tailors Tape
Solar System	28 No School Memorial Day	29 Solar System Floor Puzzle Compare and Contrast Planet Sizes	30 Watercolors in ST "Nebula Formation" Space Collage	31 Asteroid Decorations Solar System Measurements	

Sensory Table
Shaving Cream, Moon Sand, Moon Rocks

Pretend Play
Astronaut Costumes, Space Station

Blocks
Solar System Floor Puzzle, Ball and Ramp Activity

Writing Table
Journal, Space Word Cards, Solar System Maps

Science Area
Photos of Planets and Solar System
