Dear Parent:

Welcome to Sunshine Academy! Our newly built school, located at 1658 Beacon Street in Brookline, is a warm, safe, and enjoyable learning environment for children and families. We are currently accepting applications for new enrollments. Enrollment is on a space-available basis with rolling admission throughout the year.

We designed our new school to meet the same high standards you have come to expect from Sunshine Academy. All of our classrooms are designed and planned specifically for the age group they serve and meet all accessibility requirements. We also have our own private outdoor classroom area for all-weather active play and our own stage for music classes, and performances.

Sunshine Academy teachers are qualified, caring, dedicated, and fully licensed and certified in early childhood education. They look forward to sharing an enjoyable, positive learning experience with your child.

We are enclosing a tuition schedule, and application form. To reserve a space on the waiting list, please fill out the application form and return it with a non-refundable \$100 application fee to Sunshine Academy, 1658 Beacon Street, Brookline, MA 02446. When there is an available space, we call families in the order in which we receive a completed application and fee. Please feel free to contact the office at 617-734-5250 or [director@sunshineacademy.com](mailto:director@sunshineacademy.com) with any questions or to schedule a private tour.

We look forward to working with you in the care and education of your child.

Warmest wishes,

Ann and Andrew Haber  
Co-owners
